# Unfinished Sheets

One of the most economical ways to have your projects printed is with Unfinished flat sheets. These Flat Unfinished Sheets are ideal for companies with in-house finishing equipment.

You can trim, cut, fold, finish however you want if you have the finishing equipment and are a sourcing print for clients. Why not take advantage of our capacity to supply you untrimmed printed sheets.

Our easy ordering process will take you through all the options to print flat unfinished sheets in SRA1 Sheet, SRA2 Sheet and SRA3 Sheet sizes and in different paper stock.

## SRA1 Unfinished Sheets

Do you have a bespoke job? Choose our printed Flat Sheets. Sized 640mm x 900mm (SRA1), with a maximum print area of 600mm x 878mm. They are delivered unfinished, so you can trim, fold, foil and do whatever else to create the perfect print for your client.

## SRA2 Unfinished Sheets

Our SRA2 unfinished sheets are available on a massive 9 different paper stocks, including silk, gloss and uncoated options. Add a Matt, Gloss or Soft Touch lamination to cover almost every print possibility.

## SRA3 Unfinished Sheets

Our SRA3 unfinished sheets are available on a massive 8 different paper stocks, including silk, gloss and uncoated options. Add a Matt, Gloss or Soft Touch lamination to cover almost every print possibility.
